## Experience

### Dwell - Youth Ministry of Lifecoast Church

#### Tech Team Leader (February 2013 - Present)

As the technical team leader I oversee the activities of Dwell's hardware and software systems.

---

### Apparent Project

#### Haitian Missionary (July 2010 - January 2011)

We partnered to build long-term housing solutions for Haitian families currently living in tent homes because of the earthquake devastation.

---

### DevinthedeV Productions

#### Lead Designer (February 2009 - Present)

Owner & Lead Designer of DevinthedeV Productions. Motion/Web/Graphic Design.

---

### Lifecoast Church

#### Lighting Technician (January 2008 - Present)

As the Lighting Technician I am in charge of determining the lighting needs for a show and planning a lighting plot that will produce the desired looks and effects.

---

## Education

### Matanzas High School

(February 2012 - Present)

---

## Skills

MITI Certification & Microsoft Certified Solution Developer.

---

## Awards

### DECA School Based Enterprise Certification [Gold] (January 2013)

DECA prepares emerging leaders and entrepreneurs in marketing, finance, hospitality and management in high schools and colleges around the globe.

---

## Affiliations

### Lifecoast Church (April 2007 - Present)

A life giving church that celebrates, grows, serves, and multiplies together! Lifecoast is a non-denominational church meeting in the central Florida area.
